OTHER STATE QUIT LINES

Outside of Connecticut, similar smoking cessation programs can be found in other states. Smokefree.gov (<http://smokefree.gov/>), a website created by the National Cancer Institute (NCI), has a map guide to locating local phone numbers and websites for each state's program. The website also contains NCI's national telephone quitline and instant messaging service, a step-by-step smoking cessation guide and downloadable publications.

Tobacco Quit Line – 800-Quit-Now or 800-784-8669 or
www.quit.now.net/connecticut
